

Agency: Commerce, Community and Economic Development**Grants to Municipalities (AS 37.05.315)****Grant Recipient: Togiak****Project Title:**

Togiak - Youth Multi-Purpose Facility

State Funding Requested: \$ 500,000**House District: 37 - S**

One-Time Need

Brief Project Description:

Conversion of the old Togiak School and out-buildings into a youth Multi-Purpose Facility.

Funding Plan:**Total Cost of Project: \$2,500,000**

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>	
	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Federal Funds					\$500,000	2009
State Funds	\$1,500,000	2002				
Rasmuson Foundation			\$175,000			
Total	\$1,500,000		\$175,000		\$500,000	

Detailed Project Description and Justification:

The old school abatement project has \$1.5 million to demolish the old BIA buildings and to insure that hazardous materials are taken care of in the correct manner. The gym, six classrooms, and the VocEd facility have been saved and have been designated to become a Togiak Youth multi purpose facility. This facility has been determined by the community of Togiak to be of the highest priority. \$30,000.00 annual local funding presently supports the Boys and Girls Club in Togiak showing community support for the Youth of Togiak. The present project funding in the amount of \$450,000.00 will upgrade these buildings with new metal siding, a handicap ramp, new metal roofing over the classrooms, water and sewer, and heat and electricity functioning and in place. The additional amount of \$500,000.00 will be used for interior repairs and upgrades. These additional funds will bring this facility into an operational condition.

Project Timeline:

April - October 2008

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City of Togiak

**CITY OF TOGIAK
RESOLUTION 07-08**

A RESOLUTION OF THE CITY OF TOGIAK IDENTIFYING AND ESTABLISHING OVERALL CAPITAL IMPROVEMENTS PRIORITIES FOR CITY OF TOGIAK FOR THE FISCAL YEAR ENDING JUNE 30, 2008.

WHEREAS, the City of Togiak has developed a Capital Improvement Program as part of the City's 2008/2009 Fiscal Year Plan and,

WHEREAS, the City of Togiak desires to submit an updated and consolidated FY 2008/2009 Capital Improvements Program to the State Legislature and other interested Agencies in a continued effort to secure funding for the projects listed and;

WHEREAS, the projects included in the Capital Improvement Program are re-evaluated Prioritized and updated annually in an effort to secure funding for the most critical project.

NOW THEREFORE BE IT RESOLVED by the Togiak City Council the following capital improvement projects have been identified and established as the Togiak's highest priority projects to be considered for state funding during the 2008/2009 legislative session.

- Priority # 1: Public Safety Facility
- Priority # 2: Youth Multi-Purpose Center/Park
- Priority # 3: Airport/City Roads Improvement
- Priority # 4: Alternative Energy
- Priority # 5: Dock/Harbor Facilities

BE IT FURTHER RESOLVED that the Mayor/City Administrator is hereby instructed to identify and pursue available state and federal sources for the purpose of securing grants and loans to be used along with City Funds the design and construction of these projects at the earliest practical date.

ADOPTED by a duly constituted quorum of the Togiak City Council this 13th day of November, 2007.

Please provide a detailed project description and project justification:

The old school abatement project has \$1.5 million to demolish the old BIA buildings and to insure that hazardous materials are taken care of in the correct manner. The gym, six classrooms, and the VocEd facility have been saved and have been designated to become a Togiak Youth multi purpose facility. This facility has been determined by the community of Togiak to be of the highest priority. \$30,000.00 annual local funding presently supports the Boys and Girls Club in Togiak showing community support for the Youth of Togiak. The present project funding in the amount of \$450,000.00 will upgrade these buildings with new metal siding, a handicap ramp, new metal roofing over the classrooms, water and sewer, and heat and electricity functioning and in place. The additional amount of \$500,000.00 will be used for interior repairs and upgrades. These additional funds will bring this facility into an operational condition.

Has the project gone through a public review process at the local level and is it a community priority demonstrated by resolution or other official action by the governing body?

Yes Togiak City Council Resolution lists this project as a priority. The Togiak Capital Improvement Plan developed after input from public meetings by the people of Togiak also includes this project as a priority for these facilities.

Please describe the project time-line and when expenditures will occur:

April 2008 through October 2008

Who will be responsible for providing ongoing maintenance and operations cost?

City of Togiak
